07/13/21 - 2124 - NDCC Operator #2 / Transmission
Operator #1

1 NDCC OPERATOR #2: Rocklin, this is
2 [REDACTED].

3 TRANSMISSION OPERATOR #1: Hey,
4 [REDACTED]. This is [REDACTED] at North State. How
5 are you doing?

6 NDCC OPERATOR #2: Good. How are you?

7 TRANSMISSION OPERATOR #1: I'm good.
8 So, you're aware this fire up near Rock Creek?

9 NDCC OPERATOR #2: Yeah. We were
10 just -- we were being told about it. What's
11 going on?

12 TRANSMISSION OPERATOR #1: Well, just
13 the gen operator said you guys might be opening
14 up a circuit or a switch. And I was just curious
15 about the location. I'm having a hard time
16 getting a hold the guys I have in the area. So,
17 I was trying to pinpoint --

18 NDCC OPERATOR #2: Okay. So, the
19 switch is 941.

20 TRANSMISSION OPERATOR #1: Uh-huh.

21 NDCC OPERATOR #2: And we just opened
22 that not too long ago, probably about -- maybe 30
23 minutes ago or so. Maybe an hour ago.

24 TRANSMISSION OPERATOR #1: Okay.

25 NDCC OPERATOR #2: So, let me pull that

1 up here real quick.

2 TRANSMISSION OPERATOR #1: Yeah.

3 NDCC OPERATOR #2: 941. And that's on
4 the Bucks Creek 1101.

5 TRANSMISSION OPERATOR #1: So, I think
6 I thought of that circuit. It's hard on GIS.

7 NDCC OPERATOR #2: Okay.

8 TRANSMISSION OPERATOR #1: Does that
9 run basically just south along parallel with our
10 transmission lines?

11 NDCC OPERATOR #2: So, I can't quite
12 tell if that -- if it does. But I can tell you
13 that circuit runs down to -- what's the
14 powerhouse down there?

15 TRANSMISSION OPERATOR #1: Rock Creek.

16 NDCC OPERATOR #2: Yeah.

17 TRANSMISSION OPERATOR #1: Yeah. So,
18 maybe.

19 NDCC OPERATOR #2: Yeah, maybe it does
20 run parallel. I'm not sure.

21 TRANSMISSION OPERATOR #1: Okay. Cool.
22 I was just trying to see where that 941 is, so I
23 could see what they want deenergized where, you
24 know.

25 NDCC OPERATOR #2: Okay. Yeah, that's

1 what we have open right now.

2 TRANSMISSION OPERATOR #1: Okay.

3 NDCC OPERATOR #2: Cool.

4 TRANSMISSION OPERATOR #1: All right.

5 Appreciate it.

6 NDCC OPERATOR #2: No, it's all good.

7 Bye.

8 TRANSMISSION OPERATOR #1: Bye.
